Goal:

- To provide support, prayer, and light coaching to Group Leaders.

Scope:

- Ideally, Coaches have no more than 3-5 Group Leaders under their care.

Mindset:

- Our Group Leaders are wonderful, growing people. Thank God for them!
- Make it about them! They are serving others and Coaches serve them by caring, listening, encouraging, and coaching.

Resources:

- **Write/Record:** Take notes regarding key information...celebrations and challenges. Don't try to remember everything.
 - "The weakest pencil has a far better memory than the sharpest mind." –Benjamin Franklin
- **Plan/Calendar:** If it gets on your calendar, it's more likely to get done. Be intentional about connecting with your Group Leaders.

Daily:

- Keep your relationship with God alive and growing each day.
- Pray for your Group Leaders by name...maybe it's all of your leader, maybe half of your leaders. Either way, pray for your leaders daily. Feel free to let them know you are praying for them.

Monthly:

- Visit one group per month.
- Connect with each Group Leader one-on-one (phone or face to face)...15-60 minutes is ideal.

Semester:

- Connect with Pathway staff (Pathway Pastor, Assistant Director, or Connections Pastor) twice...15-60 minutes is ideal.
